Dear Mr. Jackson:

CP992334

RE: ZA#2334; Permissive Use Permit for a Recycling Center/Landfill
Land Lot(s) 608 and 609; 14th District
Tax Map 254, Parcel 020
33.06 acres

This is to confirm that the Forsyth County Board of Commissioners approved with conditions the above request at their Regular Meeting held on October 11, 2000. Condition #2 was amended by the County Attorney on May 25, 2000. The conditions now read as follows:

1. All buffers and setbacks shall conform to State of Georgia Environmental Protection Division standards for the applicable use of the property as a landfill.
2. Acceptable waste for landfill disposal shall be inert waste.
3. The facility must obtain a permit from the State of Georgia Environmental Protection Division and meet all financial assurance and design and operational requirements including provisions for ground water monitoring, surface water monitoring and methane monitoring.
4. Sanitary and hazardous waste as defined by the State is absolutely prohibited.

Sincerely,

Jeff Watkins, AICP
Director
