Re: Certificate of Completeness for SP200002

Please be advised that you have successfully submitted an application for Board Consideration.

On March 19, 2020 the Board of Commissioners adopted a resolution to provide for the operation of Forsyth County during the public emergency of the coronavirus pandemic. The resolution directs the postponement of all public hearings for 60 days, therefore we are unable to place your application on a public hearing agenda at this time.

Upon expiration of the 60 days or extension thereof, we will notify you of the date your application has been placed on a public hearing agenda and when your signs are available for pick up. Sign posting deadlines will also be provided at that time.

If you have any questions, please contact the Department of Planning and Community Development at 770-205-4568.

Sincerely,

Leslie Silas
