**RE: Zoning Board of Appeals Decision on Application # VA150036**

Dear Applicant:

At the Zoning Board of Appeals (ZBA) regular meeting on September 01, 2015, the ZBA approved a lot width variance of 52 feet to allow a lot to 8 feet in width rather than the required 60 feet.

The findings and decision of the Zoning Board of Appeals shall be final unless a person aggrieved shall petition the Board of Commissioners within ten (10) days of the public hearing in which the decision was rendered.

If you have any questions, please contact the Department of Planning & Community Development at 770-781-2115.

Sincerely,

Susan Green
